The Supplemental Education Grant (SEG) program reimburses up to $500 per eligible CGMA client per calendar year for documented educational costs specifically required by a course of study. Multiple grants may be awarded at different times during the calendar year so long as the $500 per client limit is not exceeded. Applications must be received and processed within 12 months after the date of purchase. Each SEG applies to the current calendar year, regardless of when the costs were incurred.

When there is more than one eligible CGMA client in a family, grants of up to $500 may be provided for each eligible CGMA client on behalf of the students within that family. However, no more than $500 will be provided per calendar year on behalf of any one student.

SEG grants are awarded on a first-come first-serve basis, with availability limited to the funding level established each year by the CGMA Board of Control.

Eligibility:

All CGMA clients\(^1\) may apply for the SEG on behalf of themselves or their eligible family members\(^2\).

The student must be:

- Enrolled in a college or university undergraduate or postgraduate degree program,
- Pursuing a multicourse VoTech program approved by the Department of Veterans Affairs or Department of Education, and designed to prepare the student for entry into a career field,
- Seeking a General Equivalency Diploma (GED),
- Completing a correspondence course that is part of a college or university degree program or VoTech certificate program

 Eligibility is based on the status of the CGMA client and student as of the first day of the course for which the SEG is applied.

Eligibility does not extend to CGMA members who are currently delinquent in repaying any CGMA loan or who appear on the CGMA Restricted List.

The SEG is not authorized for preparatory courses, licenses (maritime, real estate, AC&R, etc.), or certification courses (computer, maritime, law, medical, etc.)

---

\(^1\) All CGMA clients means all active duty and retired Coast Guard military personnel, members of the Coast Guard Selected Reserve, retirement eligible members of the IRR, Coast Guard permanent and term civilian employees, Coast Guard Auxiliary members, U.S. Public Health Service officers serving with the Coast Guard, and un-remarried widowed spouses and dependent children of military personnel or civilian employees who were eligible for assistance in their own right at the time of their death.

\(^2\) Eligible family members include the CGMA client’s spouse and dependent children, that is children who are under 23 years of age, unmarried, not service-members, and who rely on the CGMA member for over half of their support.
